

## **SNAKES OF LANGKAWI**

**A talk by Mr Othman of Rimbawi**

**Monday 1st June 2015 at 8pm  
CocoJam Ballroom Frangipani Hotel, Pantai Tengah.**

What do you do if you find a snake in your backyard or in your house ?

Do you run away or stand absolutely still ?

Do you know which snakes are poisonous and which ones are not?

What is the first thing you should if you are bitten by a snake?

All your questions answered and more by Mr Othman a snake expert who has been “handling” snakes in Langkawi. Come and listen to him talk about the different species of snakes , their natural habitat and their peculiar characteristics. If you are lucky you may even get to touch one.

Be informed about what you should do if you are bitten. Be fascinated by each snakes’ feeding habit and learn how to identify some of the less common types of snakes.

Mr Othman also conducts workshops to help you overcome your snake phobia with an impressive success rate. He is an expert snake handler and the man to call should you find a snake in your garden.

Please call Ken 014 7548230 to reserve your place. A donation of RM30 is appreciated. Mr Othman is giving this talk for free and agrees to give all proceeds to our club funds.
