## #LANGKAWIMANGROVECLEANUP #LMC #RCL

Featured not only in the newspaper, Expat magazine gave an excellent write up on #LMC dubbing us Geopark Guardians and making us celebrities, especially mentioning PE David Bradley & PR Director Dr. Sandra Raman. A special thanks to editor Chad Merchant! Woo-hoo Geopark Guardians, let's give ourselves a big round of applause, we deserve it!

## ‘Dialog Komuniti- Ke Arah Langkawi Bebas Plastik 2017-2020’

‘Dialog Komuniti - Ke Arah Langkawi Bebas Plastik 2017-2020’ or Community Dialogue- Towards plastic Free Langkawi 2017-2020, put together by Eco Knights headed by the indefatigable Yasmin Rasyid, was hosted on 6<sup>th</sup> Nov 2015 @ Cocojam Ballroom. Many public and NGOs made their presence felt, including #RCL who was represented by PE David Bradley, seeking a way to work towards eliminating single-use plastic and generally substantially reduce the huge volume of plastic bags, poly-styrene food containers and plastic water bottles being discarded indiscriminately. We all want to see a cleaner, greener Langkawi and hopefully that real progress will be made by pooling the resources of NGOs and government agencies and focusing on one common goal.
