

District Rotaract Conference 2016/2017

District Rotaract Conference is an annual event where participants from the various Rotaract Clubs in District 3300 gather to share ideas and experiences, build friendships and deepen bonds which will translate into projects that aim to achieve the goals of Rotaract, fulfill the different avenues of Rotaract and benefit the community in which they serve.

This year, we are opening the registration to Rotarians as we wish to further strengthen the Rotary-family bond that we have grown accustomed to over the years. Better yet, this is the best platform for Rotarians and Rotaractors to share experiences with one another; without boundaries and limitations.
